

## **Duties of Fundraising Chair**

The Fundraising Chair will be in charge of planning, getting approval for and implementing fundraisers and parent social events.

The Fundraising Chair will work with the board to come up with a fundraising goal each year.

Any funds raised by the Fundraising Chair will be used to benefit all four disciplines equally (for example, Senior Scholarships).

The Fundraising Chair will also oversee any fundraisers held by each discipline separately to make sure they are following all procedures and protocols, but the VP of the discipline will run their fundraisers themselves.
